STAND INSTALLATIONS

Exhibitors setting up their own area independently, must send the project for approval to marco.zilianti@eudishow.eu. The project must be quoted in the heights, widths and depths. The working drawings (map with details) of the stands for the approved projects or for the pre-fitted ones, will be sent by marco.zilianti@eudishow.eu. For further details, please see the Technical Regulations (<https://www.eudishow.eu/site/en/exhibitors/regulations/>)

DATA AND LOGO FOR PRINTED EXHIBITOR CATALOGUE

The **2023 EXHIBITOR CATALOGUE** will be distributed during the days of the event.

For any changes or correction required, please check in your company's master data with respect to the informations given in the Application Form (addresses, telephone numbers, sites, emails, logos)

The same thing goes for the Companies Represented in your stand; If everything remains unchanged we have the data you already provided to us. Otherwise please write to mara.garzon@seievent.it

N.B. For new exhibitors, will be applied the informations provided in the Application Form

Any changes, additions or deletions must be communicated not later than September 20th, 2023 (re-processing and printing times).

ISSUEING OF THE PASSES VALID DURING THE INSTALLATION 'S DAYS, AND COMPLETION OF THE COMPULSORY FORMS

Exhibitors may enter the Bologna Exhibition Centre only if their personal data have been registered on the website <https://eudi.befair.eu/>

After the registration, Exhibitor must enter the information regarding his company's personnel and vehicles in order to print his access passes. The process also requires the Exhibitor to perform the Work Assignment procedure with regard to his fitters and suppliers. The Work Assignment procedure will allow these companies to receive the password needed to register their employees and vehicles in their reserved area, and print their access passes; <https://eudi.befair.eu/>

From the portal you can fill in the mandatory forms and print the passes valid during the installation days, and allow your fitters's access to give them the opportunity to be registered. The possibility of allowing access to installation the companies and to the personnel for the installation and dismantling days, will only be active from October 2nd, 2023.

ACCESS PASSES

Each Exhibitor will be provided with the following passes:

1 exhibitor pass every 8 square meters

1 car pass for the exhibitor

Invitation tickets: € 8 each ,up to a maximum of 1 per every booked square meters

€ 11 for the next ones

PROMOTION

We are promoting the events on the calendar of the eudishow.eu website to make them be known in the best possible way. If you wish to provide us with your material, we will be happy to update the site and social networks constantly.
